

European Clean Steel: Stand Up Together for a Future Low Emission Industry – Hydrogen: a Powerful Ally

Aula Magna, Complesso dei Tolentini, Santa Croce, 191, Venice & via web-streaming (EN-IT)
25 January 2024

Draft Agenda

<i>Registration and welcome coffee</i>		8:30-9:00
Welcome and introduction Benno ALBRECHT , Chancellor, IUAV University, Venice Gianpaolo BOTTACIN , Regional Minister, Regione Veneto		9:00-9:05 9:05-9:10
<i>Event moderated by: Lorenzo ROBUSTELLI</i> European perspective Marc LEMAITRE , Director-General, DG Research and Innovation, EC Marc TACHELET , Director, REA Marina ZANCHI , Director, HADEA		9:15-9:25 9:25-9:35 9:35-9:45
Industry and Regional Perspective		
Steel market: global competitiveness , Axel EGGERT, Director-General, EUROFER		09:50-10:10
Role and responsibility in EU Steel sector , Franz ANDROSCH, President, ESTEP		10:10-10:30
Regione Veneto: Hydrogen and sustainability , Santo ROMANO, Director, Area Politiche Economiche, Capitale Umano e programmazione comunitaria, Regione Veneto		10:30-10:50
Interactive Q&A		10 minutes
<i>coffee break</i>		11:10-11:30
RFCS steel projects contributing to the EGD goals (1/2) <i>DevH2forEAF, Developing and enabling H2 burner utilization to produce liquid steel in EAF (RFCS 2020)</i> , Eros FARACI, Rina Consulting <i>H2transBF2030, Minimisation of CO2 Emissions from the BF by hydrogen containing injectants and use of DRI/HBI during transition to new Ironmaking processes until 2030 (RFCS 2020)</i> , Hauke BARTUSCH, VDEh-Betriebsforschungsinstitut BFI		11:30-12:00
RFCS steel projects contributing to the EGD goals (2/2) <i>HYDREAMS, Clean Hydrogen and Digital tools for REheating And heat treatMent for Steel (RFCS CSP 2022)</i> , Sieye LAURENT, Ugitech <i>TWINGHY, Digital TWINS for Green HYdrogen transition in steel industry (RFCS CSP 2022)</i> , Jordi GÁLVEZ, CELSA Group		12:00-12:30
Interactive Q&A		15 minutes
<i>Networking lunch</i>		12:45-14:20

<p>Panel discussion ‘European Steel – past, present and future’</p> <p>Rosa D’AMATO, MEP, Gruppo Green</p> <p>Alex PAQUOT, Director, Innovation for a Low Carbon, Resilient Economy, DG for Climate Action, EC</p> <p>Jurgen TIEDJE, Head of Unit, Industrial Transformation, DG Research & Innovation, EC</p> <p>Katarzyna GRYC, Policy Officer, Just Transition, Consumers, Energy Security, Efficiency and Innovation, DG Energy, EC</p> <p>Harmen OTERDOOM, Founder, Butter Bridge BV, Netherland</p> <p>Joeri NEUTJENS, CEO-CSO, CRM Group</p> <p>David CHIARAMONTI, Vice-Rector for International Affairs, Politecnico, Turin</p> <p>Vito DI NOTO, Professor, Department of Industrial Engineering, UNIPD, University of Padova</p>		14:20-15:50
Interactive Q&A		20 min
<p>RFCS Annual call and Big-Ticket opportunities – Calls 2023-2024</p> <p>Sebastiano FUMERO, Head of Unit, Future Low Emission Industries, REA.B.1</p>		16:10-16:30
Conclusions		16:30-16:45
Close		16:45
