ENJOY IT'S FROM EUROPE
These guidelines present the new signature "ENJOY IT’S FROM EUROPE" (composed of a graphic stamp and a thematic guideline) to be used on all promotional campaigns that have been co-financed by the EU.

The guidelines explain to beneficiaries how to use the signature (graphic stamp and thematic baseline) as well as the mandatory EU emblem and accompanying text.

The new signature "ENJOY IT’S FROM EUROPE" is not intended to replace the EU emblem and the accompanying line. Both elements (signature and separate EU emblem with accompanying text) must be visible on all communication material produced as part of a co-financed promotional programme.

The new logo "ENJOY IT’S FROM EUROPE" can be used either in the form of a signature, accompanied by the thematic baseline, or in the form of the stamp, without thematic baseline.
